Updated 2023

Before the store:

- * Check your WIC account - know what you can get.
- * Use this food list - know what's WIC approved.
- * Get the free **WICShopper** app on your phone - it makes shopping easier.

While you shop:

- * Choose the foods that match what's on your card.
- * Use this food list or the **WICShopper** app to help choose foods that are WIC approved.
- * Look for WIC shelf tags. Some stores use them to help you find WIC approved foods.

At the register:

- * Always pay with your WIC card first.
- * WIC cards work like debit cards - swipe and enter your PIN.
- * It helps to keep your WIC foods separate from other items.

Using your WIC card

- 1 Always use your WIC card first, before SNAP or other types of payment.

- 2 Swipe your card and enter your 4-digit PIN when asked.

- 3 Check the mid-purchase receipt. It shows what WIC will pay for.

- 4 You can put back any items WIC didn't pay for or you can pay for those items separately.

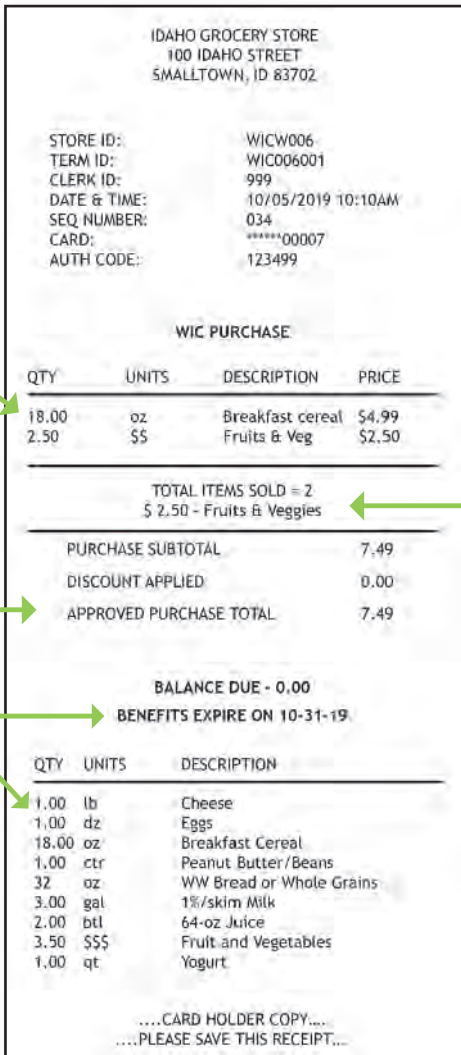

- 5 Keep your receipt!
It shows
- what WIC paid for
- what WIC foods you have left for the month.

If you have a problem at the store, talk to the manager.

If the problem can't be fixed at the store, keep your receipt and call your WIC clinic.

Reading your receipt

- 1 List of foods you bought
- 2 Total number of items sold
- 3 Purchase total and any discounts or coupons
- 4 The WIC foods you have left to buy for the month and the last day to buy them

lb = pound
dz = dozen
oz = ounces
btl = bottle

gal = gallon
ctr = container
