

| <b>Public Health - Idaho North Central District</b>   |                                |
|---|--------------------------------|
| <b>Fees for Environmental Health Permits and Services</b>   |                                |
| Approved by the Board of Health April 28, 2016  |                                |
| Effective Date 07/01/2016   |                                |
| Temporary Food Fees Effective Date: 03/19/2019  |                                |
| ALL FEES SUBJECT TO REVIEW BY THE BOARD OF HEALTH ON AN ANNUAL BASIS  |                                |
| Program Service   | Fee                            |
| SUBSURFACE SEWAGE DISPOSAL  |                                |
| Individual Sewage Disposal Permit – new sewage system   | \$730 *                        |
| * If the site is deemed unsuitable \$500 of this fee is eligible for refund.  |                                |
| * Note - \$730 reduced by \$200 or \$300, depending on the amount that the speculative site evaluation fee was paid at time. The speculative site evaluation must have been completed within the past one year from date of application for the sewer permit. \$730 reduced by \$200 if a \$200 subdivision lot evaluation was completed within the past 5 years. |                                |
| Speculative Site Evaluation   | \$300                          |
