

TABLETOP EXERCISE

Long Term Care Evacuation

Focus areas:

- Evacuation capabilities
- Transfer agreements
- Inter-facility tracking
- Surge capacities
- Interagency communications

August 8, 2018

1:30-4:00 pm

St. Joseph Regional Medical Center

Conference Room C

Exercise Goal

To improve interagency coordination among long-term care facilities and community partners in response to a facility evacuation due to water disruption.

Please contact Kate Wilson if your organization is interested in participating:

kwlison@phd2.idaho.gov

208-799-0395

What would evacuation look like in YOUR facility?

- Policies
- Agreements
- Transportation
- Supplies
- Alternate Care Site
- Internal and External Communication
