DATE: April 4, 2022

HEADLINE: COVID-19 Booster Shot Clinic

Lewiston, Idaho – Due to public interest, Public Health – Idaho North Central District will be holding a COVID-19 Booster Shot clinic at the Lewiston Office April 14th starting at 9 a.m.

If you are an adult 50 years and older and it has been at least 4 months since your first booster, you may be eligible for a second booster dose of COVID vaccine. Please contact the facility where you received your first booster dose to schedule a visit or you can schedule an appointment for an upcoming Public Health clinic by visiting <https://www.idahoprepmod.com/>. If you need assistance with scheduling, please call the office at 208-799-3100.

Public Health can also provide first, second, and third doses, as well as first booster doses of Pfizer vaccine. If you have questions about the timing of your booster dose, please visit [COVID-19 Vaccine Boosters | CDC](#).

Patients will need to bring their vaccination card with them to their appointment.

For more information, please visit <https://coronavirus.idaho.gov/>.
