

HELP PROTECT YOUR FRIENDS AND NEIGHBORS.

Do your part to keep Moscow healthy, safe and open.

- Wear a mask
- Wash your hands
- Keep your distance

As we work safely to reopen, remember that the coronavirus will be with us for some time. We have a responsibility to do our part and help prevent community spread of the virus and disease.

Wearing a mask protects everyone around you—especially those at greatest risk. If we all do our part today, we will have a healthier and more vibrant tomorrow!
