DATE: September 27, 2022

HEADLINE: COVID-19 Booster Shot Clinic

Lewiston, Idaho – Due to public interest, Public Health – Idaho North Central District will be holding a COVID-19 Booster Shot clinic at the Lewiston Office October 13th. Booster doses of COVID-19 vaccine will be provided using Pfizer Bivalent vaccine which includes the original COVID-19 vaccine and additional coverage for the most recently circulating Omicron variants BA.4 and BA.5.

If you are 12 years and older and it has been at least 2 months since your last dose of vaccine, you may be eligible for a booster dose of COVID-19 vaccine. Please contact the facility where you received your primary series or booster dose to schedule a visit or you can schedule an appointment for an upcoming Public Health clinic by visiting <https://www.idahoprepmo.com/>. If you need assistance with scheduling, please call the office at 208-799-3100.

Public Health can also provide the primary series (first, second, and third doses), of Pfizer vaccine. If you have questions about the timing of your booster dose, please visit [COVID-19 Vaccine Boosters | CDC](#).

Patients will need to bring their vaccination card with them to their appointment. Individuals under 18 years of age will need to be accompanied by a parent or guardian.
